## A Message From the President and the Chairman

This report of voluntary support to Lebanon Valley College for the academic year which ended June 30, 1989, records one of challenge and triumph.

The challenge was to gain needed resources assuring the continuing strength of the academic program, the nourishment of mind, body and spirit of the students entrusted to the College, and to improve the physical facilities. Progress has been made along all these fronts.

By any number of quality measures, our College remains a center of academic excellence. A study published this year ranks Lebanon Valley College in the top 13 percent of the nation's 877 liberal arts colleges in the number of its graduates who have earned the doctor of philosophy (Ph.D.) degree. When adjusted for size of institution, that ranking rises to the top 6 percent.

The Carnegie Foundation for the Advancement of Teaching reaffirmed its classification of Lebanon Valley as among the nation's 140 highly selective undergraduate liberal arts colleges.

Lebanon Valley may take pride in its record in recent years of eight Fulbright scholarships awarded to graduating seniors. Additionally, one member of the College faculty has been awarded two Fulbright professorships.

The voluntary support reported here is what sustains and advances our cause. Voluntary gifts enable worthy students to attend our College, gifts strengthen our endeavors to bring faculty compensation to an equitable level — in keeping with the outstanding teaching taking place here — and many recent gifts have enabled us to improve the campus' physical environment.

There are a number of highlights — triumphs — from the 1989 year which we would like to mention specifically:

- The 125th Anniversary Campaign to raise \$6,500,000 was completed three years ahead of schedule and \$600,000 over goal. Special thanks to Honorary Chairman Allan W. Mund and General Chairman Charles W. Wolfe '44.
- The Thomas Rhys Vickroy Society grew to 203 members. These generous donors contributed 86% of the funds received during the year.
- The Josiah and Bessie Kline Foundation challenged the College to increase unrestricted annual gifts by \$80,000 each year over the next five, thus earning the Foundation's capital grant of \$400,000.
- The College met the first year's Kline Challenge goal with a \$131,000, or 24%, increase. The alumni response was especially heartening with their 28% increase in unrestricted giving.

Following the successful 125th Anniversary Campaign, the College was notified by The Kresge Foundation of its approval of a \$900,000 scientific initiatives program with Lebanon Valley. \$300,000 is already assured, provided the College raises \$600,000 in endowed funds by next year. Some \$500,000 of this is committed as we go to press, but much more effort will be needed to meet this exciting challenge.

The Trustees, Officers, Faculty, Students and Staff join us in warm appreciation to the many friends of Lebanon Valley College who made 1989 a very successful year, indeed.

# 125th Anniversary Campaign Surpasses Its Goal

There is no greater joy for those who chair campaigns than a report of success and mission accomplished: the 125th Anniversary Campaign for Lebanon Valley College is completed — over goal and three years early.

In 1985 the Board of Trustees took a survey which indicated clear needs:

- \* A shortage of floor space in Lynch Gymnasium.
- \* Computer facilities were being outgrown and new technology was making existing hardware obsolete.
- \* The College's endowment was in need of support, to strengthen financial reserves.
- \* On top of all this, monies were needed for campus landscaping, an all-weather track, and academic equipment.

With faith and confidence in Lebanon Valley College and its friends, the 125th Anniversary Campaign was announced in 1987 with a goal of \$6,500,000. The campaign was expected to last five years.

The results have been outstanding! The goal has been surpassed with \$7,120,000 committed, three years early. The faith, confidence and hard work by trustees, faculty, alumni, parents, friends and even students has paid off.

Everyone helped. Alumni came forward with over \$1,565,146. The campus family — students, faculty and staff — responded with almost \$200,000. Friends and parents made commitments of \$3,710,587. And businesses, foundations, and other organizations contributed \$1,165,610. But very special mention should be made of the leadership of the Board of Trustees. Their gifts of \$4,312,712 — some 60% of the total — were the key to success.

To all contributors and volunteers, our warmest thanks. The successes of the 125th Anniversary Campaign serves as testimony to your interest and dedication to Lebanon Valley.

## Annual Giving Soars

"Record-breaking" and "pace-setting" best describe the 1988-89 Annual Giving year at Lebanon Valley College under the leadership of Trustee Sam Willman '67.

Thanks to the generous support of a record number of alumni, parents, faculty and staff, trustees and other friends, Lebanon Valley successfully met the first year of the Kline Foundation Challenge which requires the College to increase Annual Giving in order to earn additional resources from the foundation.

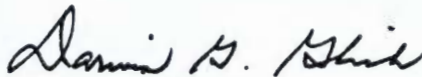

Since tuition only provides about 75% of the cost of educating our students, income from the Annual Fund provides a vital portion of the current operating budget. Supported items include: student financial aid, faculty salaries, both intercollegiate and intramural athletics, religious programs, lectureships, concerts and campus maintenance.

Noteworthy accomplishments during 1988-89 include:

- An overall increase in unrestricted Annual Giving by \$131,300 to a record \$668,600.
- 9% growth in the number of alumni donors to 30% participation.
- Terrific response by faculty and staff whose participation rose by 28% and whose contributions increased by 24%
- Donor club membership grew by 10%. Their gifts constitute four-fifths of the Annual Giving total. (These individuals and the level of their gift support are recognized in the Honor Roll in this issue).
- Reunion giving by the classes of 1939, 1954 and 1959 to help meet the Kline Challenge resulted in class gifts that were nearly double the previous year.

We know we must continue to inspire substantial support if we are to continue to give students the finest educational opportunity possible. The above achievements set the pace for Lebanon Valley College to meet its goal of increasing Annual Giving by \$1.2 million by 1993.

With thanks and best wishes from the entire College family.

## Lebanon Valley College Receives \$400,000 Challenge from Kline Foundation

A challenge grant of \$400,000 was awarded to Lebanon Valley College in December of 1988 by the Josiah W. and Bessie H. Kline Foundation Inc., Harrisburg, PA, for use toward the construction costs of the Edward H. Arnold Sports Center.

In order to qualify for the \$400,000, Lebanon Valley College must increase the College's Annual Giving income by an average yearly rate of \$80,000 over the next five years, beginning with the fiscal year 1989. This contribution will be paid on a \$1 for \$1 basis, whereby the Foundation will match each new dollar given to the Annual Giving Fund of the College. Alumni and other friends successfully met the first year of the Challenge during 1988-89.

The accumulated impact of matching an average of \$80,000 for the next five years will raise a total \$1.2 million for current operations of Lebanon Valley College.

The Kline Foundation program has also enabled alumni and other friends of Lebanon Valley to make a meaningful contribution to the Annual Fund while at the same time participating in the College's successful 125th Anniversary Campaign.

The Josiah E. and Bessie H. Kline Foundation was established in 1952 as a philanthropy for the benefit of the Central Pennsylvania community. The foundation primarily supports educational, medical, and other benevolent or charitable institutions. Most grants are for building funds, special projects, and for research or scholarship funds.

In 1982, Lebanon Valley College accepted its first Kline Challenge: A \$250 thousand grant to the Garber Science Center project, to be matched by an additional \$1 million raised by the College. Lebanon Valley College successfully met this challenge by June 1984. In appreciation for the Foundation's philanthropy, the College designated a major biology laboratory in the Garber Science Center as the Josiah E. and Bessie H. Kline Laboratory.

### The Thomas Rhys Vickroy Society 1988-1989 Honor Roll

Members of the Vickroy Society were recognized at a festive reception and dinner Friday, October 13, 1989 at The Hotel Hershey. Chairman of the Trustee Board Thomas C. Reinhart '58 presided at the event which included remarks by Dr. Arthur Ford '59 about his experiences as a Fulbright Professor in China last year.

Nearly \$2 million or 86 percent of the College's voluntary support during 1988-89 was contributed by the Vickroy Society. The number of Society members increased 16 percent over the 1987-88 figure to a record 203.

Membership in the Vickroy Society is open to alumni, parents of students and other friends of the College on an annual basis, renewable each year. The Society recognizes gifts of \$1,000 and above given to the College for any purpose during each academic year.

Active memberships are available in the following categories:

Trustee Associate - A gift of \$10,000 and above

Five Founders Circle - A gift of \$5,000 to \$9,999

President's Circle - A gift of \$2,500 to \$4,999

Society Associate - A gift of \$1,000 to \$2,499

Active membership may be fulfilled with gifts of cash, securities, real estate or other property.

Lifetime Vickroy Associates are members whose cumulative contributions to Lebanon Valley College total \$100,000 and above. Annual Active and Lifetime Vickroy Society memberships may be held concurrently.

*\*Note: This Honor Roll recognizes Vickroy Society members whose gifts were made during the academic year July 1, 1988 through June 30, 1989, and includes both annual and capital gifts, as well as contributions to the 125th Anniversary Campaign and the Kline Challenge.*

Mr. Paul Brubaker

Lebanon Valley College put a new emphasis on planned giving activities this year by:

- Hiring a full-time Director of Planned Giving.
- Obtaining the services of a Planned Giving Consultant.
- Adoption of Planned Giving Guidelines by the Board of Trustees.

The new Director of Planned Giving is Paul Brubaker, a graduate of Franklin & Marshall College and Wharton Graduate Division of the University of Pennsylvania with experience in public accounting, governmental administration and college teaching. He is planning regular visits with alumni and alumni groups and a periodic newsletter explaining the many gift opportunities available to assist the College in the next century. Feel free to call him at 717-867-6324 if you have questions or for further information.

Through the efforts of the College administration and our planned giving consultant, \$200,000 of new Charitable Gift Annuities were completed in this

year. The College will soon have a Pooled Income Fund available for your consideration.

The Board of Trustees has taken the first steps to recognize the importance of the Planned Giving Program through the authorization of the additional staff position and guidelines for the various gift instruments. We hope to announce the first contributions to the new Pooled Income Fund later this year.
